Rotortrade and Helicópteros de Guatemala Celebrate Successful Partnership in Central America

Atlanta, USA. March 2023-Rotortrade, the leading international helicopter dealer, is proud to announce the successful partnership with Helicópteros de Guatemala, which has resulted in the positioning of the first two AW119Kx helicopters in Central America. The two companies have had various transactions, and their good relationship has contributed to this milestone achievement.

"We are grateful for the opportunity to work with Helicópteros de Guatemala and for the positive relationship we have built together," said Raymond Lubrano, EVP Business Development of Rotortrade. "Together, we have achieved a significant milestone in the aviation industry by sourcing two AW119Kx in China and positioning them in Central America for the first time."
